MWTherapy to exhibit at the American Physical Therapy Association (APTA) Mulligan Concept Conference - 4/28/2007

Visit the MWTherapy Booth Saturday April 28th, 2007 at the Hilton Logan Airport Hotel, Boston, MA

Boston, Mass. — Apr. 9, 2007 — MerlinWave announced today that it will be exhibiting at the Introduction to the Mulligan Concept Conference held in the Hilton Logan Airport Hotel in Boston, MA. The conference was organized by the Massachusetts chapter of the American Physical Therapy Association (APTA of MA).

The conference will be held on Saturday April 28th, 2007. The exhibition will occur between 10AM and 11AM. "We encourage therapists of all types, office managers, and owners to visit our booth and explore MWTherapy's potential to enhance practices of any size. MWTherapy is so unique because it works for any size practice from a one person, one location practice to a multi-person, multi-location practice," said Sharif Zeid, Founder and CEO.

MWTherapy is available immediately. MerlinWave is also offering generous incentives and lengthy risk-free trial periods to give clients the opportunity to see that MWTherapy is the best solution available. Interested clients can contact MerlinWave directly by phone at (781) 239 - 1110 or visit www.mwtherapy.com for additional information.

About MWTherapy:

MWTherapy is a customizable documentation system with supporting functions including: scheduling, clinical communication, charge capture, and clinical management. The system takes customization to the next level by allowing clients to have their preprinted forms and templates incorporated directly into MWTherapy.

About MerlinWave Incorporated:

MerlinWave is revolutionizing business software by developing easy-to-use solutions that are available 24x7x365 from anywhere in the world. For more information, visit www.mwtherapy.com.

About The American Physical Therapy Association:

The American Physical Therapy Association (APTA) is a national professional organization representing more than 66,000 members. Its goal is to foster advancements in physical therapy practice, research, and education. For more information visit www.apta.org (National) and www.aptaofma.org (Massachusetts Chapter)
