MWTherapy to exhibit at the American Physical Therapy Association (APTA) Mulligan Concept Conference - 11/3/2007

Visit the MWTherapy Booth Saturday November 3rd, 2007 at the Four Points by Sheraton - Norwood, MA

Boston, Mass. — Oct. 1, 2007 — MerlinWave announced today that it will be exhibiting at the Introduction to the Mulligan Concept Conference held in the Four Points Sheraton, Norwood, MA. The conference is being organized by the Massachusetts chapter of the American Physical Therapy Association (APTA of MA).

The conference will be held on Saturday November 3rd, 2007. The exhibition will occur between 9:30AM and 10:30AM. "We welcome everyone to stop by our booth and speak with us! We've got a lot to share about MWTherapy. MWTherapy is a fantastic system that will help practices of all sizes control and streamline documentation and scheduling," said Sharif Zeid, Founder and CEO.

Interested clients can contact MerlinWave directly by phone toll-free at (800) 627 - 1261 or visit www.mwtherapy.com for additional information.

About MWTherapy:

MWTherapy is a customizable documentation system with supporting functions including: scheduling, clinical communication, charge capture, billing link and clinical management. The system takes customization to the next level by allowing clients to have their preprinted forms and templates incorporated directly into MWTherapy.

About MerlinWave Incorporated:

MerlinWave is revolutionizing business software by developing easy-to-use solutions that are available 24x7x365 from anywhere in the world. For more information, visit www.mwtherapy.com.

About The American Physical Therapy Association:

The American Physical Therapy Association (APTA) is a national professional organization representing more than 66,000 members. Its goal is to foster advancements in physical therapy practice, research, and education. For more information visit www.apta.org (National) and www.aptaofma.org (Massachusetts Chapter)
